Covid Information

This term has been a very challenging time with Covid in the school. We appreciate your help and support in keeping our school safe. It is important as a school community that we all remain vigilant to the transmission of Covid 19. If your child has symptoms please book a PCR test, **even if an earlier one was negative**. Your child should self isolate until you receive the result. If your child tests positive please inform the school, self isolate and follow PHA guidance.

It is very important that you inform the school if your child is Covid positive.

Catholic Schools Week

Catholic Schools Week was celebrated in schools across the island of Ireland from Sunday 23 January – Sunday 30 January. The theme for Catholic Schools Week 2022 was 'Catholic Schools: Living Life to the Full'.

During Catholic Schools Week families, parishes and schools were invited to participate in a week of celebration of Catholic schools reflecting on their contribution to the common good of society.

The children enjoyed Grandparents Day and even though grandparents couldn't be here, the children took part in activities and produced beautiful work and displays which was celebrated on our website.

Primary 7 Post Primary Applications

Apply online for your child's post-primary place. The online process for post-primary applications opened on 1 February and will close at 4pm on 23 February. It is important that you apply within this window. The Education Authority's website has a lot information regarding the process on their website. You can read more about this process and apply by visiting <https://www.eani.org.uk/parents/admissions/post-primary-admissions-guide>

Safer Internet Day

Safer Internet day was on Tuesday 8 February. We had an assembly and the classes learned how to keep safe online and about acceptable behaviour online.

Happy Birthday!

Happy Birthday to our January birthdays!
