## Attendance

**If your child has been off school for any reason, please send a note or phone the class teacher or office so that the absence can be recorded accurately. Thank you.**

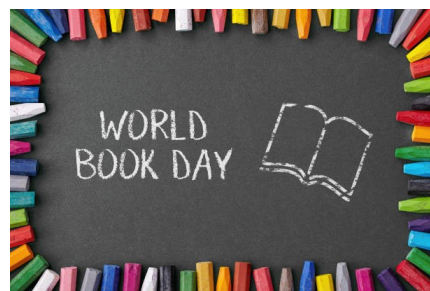

## Covid Information

This term has been a very challenging time with Covid in the school. We appreciate your help and support in keeping our school safe. It is important as a school community that we all remain vigilant to the transmission of Covid 19. If your child has symptoms please book a PCR test, **even if an earlier one was negative**. Your child should self isolate until you receive the result. If your child tests positive please inform the school, self isolate and follow PHA guidance.

**It is very important that you inform the school if your child is Covid positive.**

## World Book Day

**The children enjoyed various activities on World Book day. Each class ran a competition and the winner in each class received a £5 Waterstones Voucher. The standard of work was excellent. Well done everyone!**

## Healthy Happy Minds

Through funding allocated by the Dept. of Education, our Play Therapist Paula Coyle has been working with us since December, one day a week. All P1s & 2s have attended and some children from P3-7. Play Therapy has been of great benefit to the children that have attended. Feedback has been very positive. This will be continuing into term 3.

**Healthy Happy Minds  
primary school pilot extended**

Helping our children regulate their emotions and develop resilience is of the upmost importance and has benefitted the children who have attended.
